Name: 3arrows

ABOUT

Arrows is a theme meme coin designed to offer the benefits that other meme coins don't give to its community. It offers Blockchain development and entertaining NFTs based on ETH, developing a decentralized community and ecosystem. The only meme token capable to blow its competition away and walk over.

Arrows is more than just a token. It's a movement driven by new meme in crypto space. This community driven token focuses on making rags into riches transforming past mistakes into Arrows gains.

Arrows embodies the true spirit of meme resilience and laughter. We're here to prove that laughter.

GOAL

3arrows aims to be No.1 community token allowing degens to rely freely. The ultimate goal is to soak up the liquidity from the competitors.

VISION

Our vision is to create a vibrant and captivating community where actors can experience the excitement and thrill of decentralized development, while also enjoying the benefits of true ownership and control over their assets.

MISSION

Our mission is to utilize Web3 technology to create entertaining and highly engaging applications that push the boundaries of traditional development and the metaverse.
